

WHAT: Fall Title One Schoolwide Plan Review

WHERE: Virtual Google Meet

WHEN: Tuesday, November 10, 2020 | 1:00 PM - 2:00 PM

Please join our Title Team for an interactive session to review our current School-Wide plan.

Why do we review our School-Wide Plan?

Students are most successful when the entire school system supports education. We review and update this plan each year to best meet the needs of our student population while making a commitment to work together toward positive academic achievement.

What is Title One?

Title I is a federally funded supplemental education program that provides financial assistance to local education agencies to improve educational opportunities for children. Title I programs are designed to help children meet performance standards.
